COMPLAINTS have been made about the "disgraceful" state of Lyme Regis just days before the peak summer season begins.

The town council last week heard complaints of smelly bins, rubbish strewn by seagulls, weeds growing through pavements, messy and overbearing signage, and unsightly building works.

In the public forum, former town councillor Ken Gollop spoke about the bin storage areas in Broad

Street car park, behind Arthur Fordham & Co, and on Marine Parade.

"You hear people moaning about them all the time. I don't know what you're going to do about them but they stink to high heaven," he said.

He added that a lid was needed on the seafront storage as seagulls had been attacking the bins, but district councillor George Symonds confirmed that a lid was actually being constructed that week.

Mr Gollop also said that the town was "slowly being taken over" by weeds growing along the seafront and on various other roads.

"Some of the estate roads and side roads, the weeds there are two years old, they've never seen a road sweeper or a weed killer," he commented.

Mr Gollop called for the town, district and county councils to work together to resolve these issues, adding: "This town is getting disgraceful. We're going to need every bit of good advertising we can get in the coming season; it didn't get off to a very good start and we're going to need it, we need Lyme in pristine condition."

Councillor Stan Williams then raised a number of concerns over the state of the town, saying the district council cleaners were doing a great job but areas which were the responsibility

DAVID Tett moved to Bridport with his wife and eldest daughter Vanessa in 1970 before their youngest daughter Joanna was born.

Mr Tett spent 50 years in the law qualifying as a member of the Institute of Legal Executives, an association which represents more than 20,000 trainee and practising chartered legal executives.

He was secretary of Bridport Cricket Club for many years and served on Bridport Town Council for 20 years, being elected as mayor in 1998 and 2001.

Mr Tett was also an Independent member of West Dorset District Council for 12 years, acting as vice chairman of the now defunct standards committee. He also held appointments to various outside bodies on behalf of the councils.

He was elected to the council of governors of Dorset County Hospital NHS Foundation Trust in 2015 and has been involved in social and community work for the greater part of his life, starting in his teens.

David Tett has also written a book called 'The Path I Trod', donating the entire gross proceeds of sale to CLIC Sargent, the charity for cancer and leukemia in childhood, after his father died from the disease.

● THROUGH your role as governor of Dorset County Hospital, what are the biggest issues facing the NHS and our local hospital?

The NHS is, as we all know, in difficult times and, like all other hospital trusts, Dorchester is no exception, and there are challenging times ahead.

Funding is entirely inadequate with Dorset County Hospital ending the financial year (2015-2016) with a deficit of £5.5million. With an increasing demand and limited budget to contend with, it is obvious we will need to look at the way services are delivered.

However, my concern and the board of directors is not to compromise on the quality of services Dorset County Hospital provide.

● WHAT was a highlight for you while serving as Mayor of Bridport?

60 SECOND INTERVIEW

I was very privileged, proud and honoured to be elected Mayor of Bridport at a time when there was an equal divide in the council chamber of Conservative, Labour and Liberal Democrat members, and on a unanimous vote.

I was also delighted to represent West Dorset District Council at a Buckingham Palace Garden Party in July 2005. It was a beautiful sunny day but, following the London bombings a week before, security was very tight and the armed forces on high alert. Something I would not want to witness again!

● TELL us a bit more about your book 'The Path I Trod'...

I wanted to write a book for a number of reasons, not least to record for my family, and all others likely to be interested, my journey through life hence "The Path I Trod".

Secondly, I wanted the book to work and earn money to be applied to charity and for those persons less fortunate than oneself. My father died of Leukaemia and a friend of my wife and I lost a grandson with cancer. The choice of charity soon became evident - CLIC Sargent (Cancer and Leukaemia in Childhood).

● WHAT do you most like about living in West Dorset?

West Dorset with the rolling hills and coastal views and scenery is a lovely place to live and work. Jennifer and I with our eldest daughter Vanessa came back to Bridport in 1970, probably a little earlier than expected but, at the time, personal circumstances prevailed!

Letwin will not stand again after losing place on Cabinet

WEST Dorset MP Oliver Letwin has announced that he will not be standing for re-election.

The announcement that he would retire in 2020 to spend more time with his family came just days after Mr Letwin lost his role in the Cabinet as Prime Minister Theresa May unveiled her new government.

Mr Letwin has been MP for West Dorset since 1997 and was made Minister for Government Policy in 2010 in David Cameron's coalition government until 2015. He served as Chancellor of the Duchy of Lancaster from 2014 until last week.

The MP was given overall responsibility for the Cabinet Office following the 2015 general election.

Mr Letwin lost his role as Chancellor for the Duchy of Lancaster and leading the new Brexit unit, formed

earlier this month, when he was sacked from his Cabinet post last week.

He joined Michael Gove, Nicky Morgan and John Whittingdale, who also lost their positions, while Boris Johnson was appointed Foreign Secretary. East Devon MP Hugo Swire also lost his position as Minister for Foreign and Commonwealth Affairs.

Mr Letwin said: "It has been an enormous privilege to serve in David Cameron's two governments.

"Theresa May is now forming the new team she needs to have around her to take on the challenges the nation faces - and she and they will have my complete support as the new government takes on those challenges."

'Rubbish situation is dire,' says councillor

of the town council were in a mess.

"The gardens, from the gardener's point of view, are perfect, but the rubbish situation is dire as the bins are either missing or have no proper lids allowing the seagulls to have a field day," he commented.

Councillor Williams also complained about the state of building work being carried out to a property on Broad Street for which Langmoor Gardens was being used for access, and the area outside the harbourmaster's shed on Monmouth Beach.

He also said that it had been agreed to replace the worn out carpets of the mini golf course in time for the start of the season but this had not been done which "lowered the tone of the area".

"The town is in a terrible state. It's sad to see some of the things we have failed to do," he concluded.

Town, district and county councillor Daryl Turner said he walked along the seafront at 6.30am every day and it "was not a disgrace".

He added: "The guys do a wonderful job in cleaning that area up. I don't agree with that statement at all."

Addressing Councillor Williams, he continued: "As chairman of Town Management, I suggest you put it on your own agenda."

Councillor Williams clarified that he was not complaining about the district council staff, who he said

did an excellent job, but about areas which were responsibility of town council.

Councillor Brian Larcombe said that signage was also a problem and called for Dorset County Council's help in addressing the issue.

"Lyme is being buried in signage and somewhere under that signage is the town that visitors come here to see," he said.

Councillor Turner said that the county council had been following this up and had asked businesses to adhere to the rule of displaying just one A-board outside their premises. If this was not adhered to, he said the only response would be for the county council to remove the board itself.

Councillor Derek Hallett also complained about the amount of signage on the railings around Cobb Gate, showing a photograph to make his point.

"The whole idea is for people passing through the town to be able to see the sea and see what a lovely place it is. You can't see the sea anymore," he said.

Council hopes new signs will help tackle seagull problems

LYME Regis Town Council unveiled new signs warning visitors not to feed seagulls this week, as part of their action plan to tackle problems caused by the birds, which it has made one of its priorities for the year.

A statement from the town council said: "Seagulls are a common feature of the seaside, but the council recognises the increasing problems of snatching food, scavenging, noise and rubbish have become a major concern in Lyme Regis."

"The council has listened to these concerns and has committed funding over four years to find a solution. We have developed an action plan aimed at reducing the nuisance caused by herring gulls, and invite local businesses to give their support to the campaign."

"The council believes prevention is better than cure and, as such, the plan is focused around educating the public. The campaign urges people not to feed the seagulls and to properly dispose of litter and food waste."

"But we can't do this alone. The campaign relies on the support of local businesses, particularly food outlets, to help spread the message and to encourage customers to act responsibly."

"You may have already seen the large signs attached to railings along the seafront. These will be accompanied by A4 posters to display in business windows, A5 flyers to be included in welcome packs at local accommodation, and stickers to be attached to takeaway food containers. All our publicity will carry one key message: 'Please don't feed me'."

Councillor Richard Doney, the member responsible for spearheading this initiative, said: "So far, 40 local businesses have signed-up to this campaign and we're hoping it's going to deter the public from feeding seagulls as well as encouraging everyone to dispose of their waste food sensibly."

Councillor Doney, who took up this project after an appeal at a council meeting by Timber Hill resident Philip Peed to do something about the seagull problem, added: "This project has been made possible through the support of East Devon District Council which has supplied the art work for the campaign posters. They deserve a big thank you."

■ **DETERRENT:** From left, town councillors Jeff Scowen, Richard Doney and Cheryl Reynolds pictured with one of the new signs on the seafront

Councillor Jeff Scowen praised Councillor Doney's efforts at last week's full council meeting and said he was impressed by the new metal signs. However, he said he did not think the wording on the stickers was strong enough and it should warn visitors that the birds can "become aggressive".

Seagulls has also been a hot topic on social media over the past couple of weeks, with many complaining about the mess caused by seagulls attacking rubbish bags, or of being attacked themselves when eating on the seafront.

Permission not given for Broad Street closure

TOWN, district and county councillor Daryl Turner has confirmed that permission has not been granted for the closure of Broad Street in September, despite Lyme Bay Dental Practice sending out letters informing residents that the road would be closed to allow for work to its premises.

Letters were sent out saying the main road would be closed for three to four weeks from September 12th for re-rendering works to the dental practice, but Councillor Turner has said this is not the case.

"Dorset County Council Highways has not authorised any works on this site and are still in discussion with the practice and builder. The practice has been asked to withdraw the letters," he said.

"I have a site meeting on Wednesday, July 20th where we will be discussing options moving forward. I cannot foresee any works taking place in September."

Another gold for Aroma!

THE Aroma Coffee House & Kitchen in Lyme Regis has won gold at the Taste of the West awards for the fourth year.

The cafe, situated on Bridge Street, has been a member of the Taste of the West awards scheme for four years and has won gold in the Cafe and Tea-room category every year, last year progressing to the finals of the Taste of the South West awards, where they were up against celebrity chef Michael Caines' restaurant.

Aroma's recently-opened Bridport branch also won gold for the first time this year.

Owner John Kellas said: "We're always changing and looking for new suppliers to keep up our high standards."

"It's good to know we haven't taken our eye off the ball in Lyme Regis by opening a second branch in Bridport. Our staff are brilliant and keeping up standards and they have pulled it out of the bag again!"

Aroma's Bridport branch in East Street will be opening for tapas evenings on Friday and Saturday nights, 5pm to 9pm.

Thieves target commercial premises

LYME Regis Bowling Club and Holmbush Cafe were both broken into on the night of Sunday, July 10th.

Police said that there was no forced entry at the bowling club on Monmouth Beach, so it is believed the culprit either had a key or the building was left insecure.

Holmbush Cafe, situated in Holmbush car park, was then broken into for the second time in recent weeks, and a container of keys from the bowling club was found at the cafe proving that the two incidents were connected.

Several attempts to gain entry and different points around the cafe were made, with one being successful and a UV money checker was stolen. No cash is kept in the cafe overnight.

The Penny Black Cafe in Broad Street was also broken into in the early hours of July 7th when the

doors were forced open and cash and an iPod Nano were stolen. Cash is no longer left in the premises overnight.

Local traders have expressed concerns over the number of break-ins to commercial premises in the town in recent weeks, with some saying they are now taking extra measures to prevent break-ins, such as installing CCTV.

■ IN the early hours of Tuesday, July 12th damage was caused to a vehicle in the area of Old Lynch Mill Lane, Lyme Regis. The rear windscreen had been cracked and it is thought someone may have tried to gain entry.

In the early hours of Friday, July 15th, unknown offenders stole the number plates from a VW Golf in the Charmouth area.

Alice finishes Jurassic Coast hike in first place for charity

LOCAL lady Alice Williams came first in the Jurassic Coast Mighty Hike on Saturday, July 9th, completing the 22 miles in aid of Macmillan Cancer Support.

Alice (pictured left) hiked from Lodmoor Country Park in Weymouth along the challenging South West Coast Path to Norden Farm, next to Corfe Castle, and passing Lulworth Cove and Durdle Door on the way.

Although the event was not a race, out of the 550 participants Alice came first by some margin, finishing in six hours.

Alice has so far raised £380 for Macmillan Cancer Support thanks to generous donations from friends and family, and a successful tea and cake afternoon, and further donations can still be made online at www.justgiving.com/fundraising/AVWilliams

Alice said: "My sons are super proud of me and take every opportunity to tell people about what I have achieved.

"Anyone inspired by my walk who may wish to donate to Macmillan which is a fantastic charity can do so on my JustGiving page. I would love to raise more money.

"Cancer has affected loved ones so raising money and doing this challenge is nothing compared to what those facing cancer have to deal with."

Lyme Regis gardeners win top spots in Melplash competition

DESPITE the challenging weather conditions for gardeners this year, the Melplash Agricultural Society annual garden competition was once again very well supported.

Over two days, judges travelled across West Dorset visiting 17 gardens in and around Lyme Regis, Charmouth, Chideock, Beaminster, Mosterton and Bridport.

The judges this year were last year's overall winner and winner of the medium garden, Mrs Jane Pinkster from Beaminster, and winner of the allotment category, Mr John Studley from Hinton St George.

The winner of the best large garden was Mrs Derby and Mr Smith from Mangerton, narrowly beating Mrs Corsen's garden in Stoke Abbott.

The best medium garden award went to Erika Savory from Lyme Regis, closely followed by Les Loveridge, also from Lyme Regis.

First place for the best small garden went to Jerry Goade in Chideock with second place being awarded to Stephanie Harvey in Bridport.

Stephen Hiller from Charmouth was found to have the best allotment with Chris Thorner not far behind.

After much consideration by judges, the award for the best overall garden was given to Erika Savory.

The special award was given to Donald Jolliffe of Netherbury.

One of the judges said: "Mr Jolliffe has made excellent use of a very small space.

"In the front garden there are a wide variety of plants offering a beautiful display of colour, although a little cramped the vegetable patch is full of a variety of healthy plants.

"It was a pleasure to hear that Mr Jolliffe knew the names of all his plants."

Photos of the winning gardens will be available to view in the horticultural marquee at the Melplash Show on Thursday, August 25th.

The winners will receive their prizes in the horticultural tent at 4.30pm.

Business is booming for Bridport's Bridec

A BRIDPORT business is soaring to success with trade doing better than ever, but they need more workers to help them

Bridec, manufacturers of melamine faced boards based in West Bay, have recently won five new contracts, amounting to £4.8million, to construct student accommodation for universities across the UK.

Bridec was set up in 1978 and around 20 years ago they started selling furniture under the name of Wessex Furniture and went on to do furniture for nursing homes.

Now they are also doing student accommodation furniture which has seen business boom.

The company's contracts include 500 rooms, kitchens and studios for the University of West of England in Bristol, 355 studios in Cardiff, 510 bedrooms and kitchens in Birmingham, 520 bedrooms, kitchens and studios in Plymouth – which when completed will be the city's tallest building – and 360 bedrooms, kitchens and studios in Kingston on Thames.

Andy Fowkes, a spokesperson for Bridec, said: "For a company of our size it is phenomenal.

"We need labour to make it, we need people to assemble it, we will train them.

"That is the success that we have won in the last three months and we have enough work to take us all the way through 2017 and we are looking at orders now for 2018.

By **LOTTIE WELCH**
lottie@viewnews.co.uk

"The environment is good, it's a modern factory with modern facilities, its not archaic, not a dirty job and they have the potential to prove themselves and gain promotion.

"We have business, we have got security of job, which is a nice feeling to have, especially in manufacturing.

"We have been doing it for many years but we haven't been as successful as this. We have a problem, it's a nice problem as we just don't have the people to make it. It just grows and grows and grows."

Bridec have just completed the refurbishment of a Holiday Inn in Wolverhampton but have also had to turn down jobs for Liverpool University and 600 rooms for Plymouth University as they already have so much to do.

Bridec currently employs 35 people on the factory floor and are looking for six more workers to join their team as furniture assemblers. To find out more and to apply visit our job vacancies on page 32.

A catalogue of their work can be found at www.wessexfurniture.co.uk

Bad Dog No Biscuit to close Lifeboat Week

LYME Regis Lifeboat Week is nearly here with a whole raft of events planned.

On Saturday, July 30th the week of sea-side fun will be closed by local group Bad Dog No Biscuit, who will be playing in support of the RNLI.

This will be the fourth time the band has played as part of Lifeboat Week.

Bad Dog describe themselves as the "original mid-life crisis band", having started 16 years ago when Mike Wiles was recovering from a breakdown.

An ad placed in a paper, a quiet word with a friend, who also knew someone else and the band evolved.

Music has always been a passion and the songs and tunes relate to band members' lives that cement or trigger memories.

Sixteen years on and Mike, Alan and John are still performing alongside Lucy, the group's newest member who joined the band nearly four years ago.

The group has always played for enjoyment and this is reflected in the eclectic selection that sees traditional tunes alongside a diverse selec-

tion of songs, including contemporary and traditional folk songs rubbing shoulders with their take on pop and rock songs, so don't be surprised to hear a folk song about the perils of sailing followed by a Snow Patrol or Stereophonics hit.

There is no charge for the performance but the band ask audience members to donate generously to the RNLI collectors on the seafront.

Further information about Bad Dog No Biscuit is available by calling Mike Wiles on 01460 73946 or by visiting the website www.baddognobiscuit-band.co.uk. You can also find the band on Facebook by searching "Bad Dog No Biscuit".

Full details about events during Lifeboat Week are available in the programme currently on sale in many local outlets.

Organisers hope sculpture trail will attract visitors from far and wide

FIVE thousand maps for the Lyme Regis ArtsFest Sculpture Trail were printed last week to help residents and visitors alike. Sculpture Trail find their way around installations which have been popping up across the town in recent weeks.

As the broad aim of ArtsFest is to attract new visitors to Lyme Regis this autumn, maps will be distributed further afield as well as at local outlets.

Sculpture trail curator John Calder hopes that many distant art-lovers will be encouraged to come to Lyme Regis - now for the first wave of sculptures, and again to catch the full blown festival in September.

To this end, dozens of outlets across the region have been recruited to distribute the sculpture trail maps, with 600 having already been deployed to outposts such as the Arncliffe Gallery and Spike Island Art Centre in Bristol, Dillington House, near Ilminster, and the Broomfield Art & Sculpture Trail Hotel near Barnstaple.

Closer to home, there are now three outdoor leaflet dispensers right on the sculpture trail.

One is next to John's own installation "Turmoil", on the East Cliff Trail

(pictured), and another is next to Greta Berlin's "Lost Identity", on the Parkland Trail, and the third is outside the Malthouse Gallery in the heart of the Artisan Trail.

The first phase of the sculpture trail is now up and running and you can tell organisers what you think by taking part in their online survey on the website www.lymeregisarts-fest.com/sculpture-trail/ where you can also find out more information about the event.

CONTINUING our series commemorating the 100th anniversaries of all men from Lyme Regis and surrounding areas who died in the First World War, we remember Cecil Clifford Sanders, John Edward Nichols and Arthur Hugh Lister.

With thanks to Vernon Rattenbury from the Royal British Legion for the research.

CECIL CLIFFORD SANDERS

In June 1915 he moved to trenches opposite Messines, then to Les Brebis, near Loos, before moving into trenches at Hebuterne in July 1915.

In November 1915 the 1/6th Battalion, Gloucestershire Regiment, made their first raid on enemy trenches and went on to see action on the Somme during fighting at Albert and Bazentin in 1916.

ARTHUR HUGH LISTER, MD, CMG

Medical Corps

Born November 1st 1864 in Leytonstone, London, and died July 17th 1916 at sea

Arthur Lister graduated from Cambridge in 1886. In 1897 he was appointed assistant physician at the Aberdeen Royal Infirmary. Before the war he held a commission in the Territorial Royal Army Medical Corps, and had been in command of the 2nd Highland Field Ambulance.

Although in poor health, he volunteered for general service at the outbreak of war. He arrived in France on November 12th 1914 but by early 1915 had been put in charge of 19 General Hospital in Alexandria, Egypt, where for his excellent work he was awarded with the honour of Companion of Order of St Michael and St George.

Homoeopathy Pamela Rowlands

HOMOEOPATHY is powerful because it addresses not only the physical symptoms but also the mental and emotional. When the appropriate homoeopathic remedy is given, patients often feel much better and happier, as well as their symptoms receding.

For Homoeopathy to be effective the remedies must be given according to homoeopathic principles. My understanding is that all expressions, physical, mental, emotional and spiritual carry a message, a sensation, which is repeated in everything you say. This gives me the information I need to prescribe the most similar remedy to all your symptoms. In Homoeopathy we call this "like cures like"

The healing journey is a gradual one, the remedies are designed to give the body a nudge, the healing process begins and they begin to heal the whole person.

Your appointment with me

Your first appointment can last for up to two hours and follow-ups are initially a month apart for about ¾ hour. I need to have a thorough understanding of you and the symptoms you are experiencing in order to find the most similar remedy. I shall then consider your experience and prescribe on the symptoms you have given me.

I am fully registered and insured with the Society of Homeopaths and practice according to the Society of Homeopathy's code of ethics

YOUR COMPLETE GUIDE TO THE VISIT BY THE RED ARROWS TO LYME REGIS

LYME'S RED LETTER DAY - THURSDAY JULY 21st

LYME Regis has been basking in the first heatwave of the season and organisers of Red Letter Day tomorrow (Thursday) are hoping the glorious weather will hold for an appearance of the RAF's crack aerobatic team, the Red Arrows.

The Arrows are due to scorch in over Lyme Bat at 7pm on the dot. The weather forecast is overcast with inland cloud cover so the organisers are keeping their fingers crossed

that conditions will be perfect for the Red Arrows' spectacular manoeuvres out to sea, maintaining a four-decade association between the aerobatic team and Lyme Regis. A programme of events has been

PLEASE NOTE:

Lyme Regis Lifeboat Week will be held between Saturday, July 23rd and Sunday, July 30th.
Lyme Regis Regatta & Carnival will be held between Saturday, August 6th and Saturday, August 13th.

Enjoy the day but park responsibly

WITH the Red Arrows appearing at 7pm on Thursday, July 21st, meaning that residents and visitors will be able to see the display and not have time off work, the town is bracing itself for one of the biggest crowds ever.

Those planning to travel into Lyme are being encouraged to do so as early as possible and are urged to park responsibly.

The main car parks in the town - Monmouth Beach, Cabanya (both at the Cobb), Holmbush and Charmouth Road are likely to fill up early in the day.

Both park and ride schemes in Sidmouth Road and Charmouth Road will be operating until late.

Limited street parking is available and visitors are asked to park responsibly and not to block the highways or to encroach on private property by blocking householders in.

Please dig deep for next year's display

MORE than 70 collectors will be on Lyme Regis seafront before, during and after the Red Arrows display at 7pm on Thursday, so please dig deep and give a donation.

Half of the collection will go towards next year's cost of the Red Arrows display and the other 50 per cent will be split between all local organisations which are taking part in Community Week events.

A donation of £1,500 will also be made to the RNLI from proceeds from the week.

Volunteer stewards are still needed to be on standby in the event on an emergency. These volunteers will be able to watch the display and will only be called on if there is an emergency.

For further details and to volunteer, please call Alan Vian on 01297 442220.

Get your own back on the councillors!

AS a bit of fun on **RED LETTER DAY** (July 21st) Lyme Regis residents are being given the chance to get their own back on local councillors - and the press!

Some sporting members of the town council (three at the time of going to press - Cheryl Reynolds, Jeff Scowen and Sean Larcombe) have agreed to go in the stocks and be pelted with wet red sponges. The event is being billed as **RED AMMO!**

Joining in the fun and representing the town's press will be journalist Geoff Baker who has upset a few in his time!

The event will start at 2pm and not 5.30pm as stated in last week's View from Lyme Regis.

For the kids and the young at heart

A NUMBER of events have been planned for **RED LETTER DAY** especially for the kids - and young at heart!

These include a Hunt The Red Letter, Hunt the Red Arrows, a Red Arrows Hat Competition (also open to adults) and a Pavement Artist competition. The winners of all of these will receive Red Arrows themed prizes.

Pupils from St Michael's Primary School in Lyme and Uplyme's Mrs Ethelston's School have also taken part in a Red Arrows painting competition.

The winners will receive their prizes from the Mayor, Councillor Owen Lovell.

Keep in touch via our social media

WHILST the weather may not be as sunny as the start of this week, the forecast for the Red Arrows is encouraging. To keep in touch with announcements about the weather and any other programme changes, follow us on Twitter at @LymeRedArrows or find us on Facebook at www.facebook.com/redarrowslyme

A public address system will also be operation on the seafront to keep the crowds informed.

■ DON'T miss our special publication, *The Red Arrows Experience*, which will be on sale on the seafront for £1. Half of the proceeds will be donated to RAF charities.

The Red Arrows Experience tells you all you need to know about the most popular aerobatic team in the world and its relationship with Lyme Regis together with some stunning photos by award-winning local photographer Richard Austin.

Ode to Lady Regent

■ THIS picture house was Seventh Heaven, As soon as it opened in '37, Locals were happy to queue a while, To take in all that Deco style.

And once inside, and in your seat, Waiting for your weekly treat, 'A Star Is Born', 'Night Must Fall', Or 'Casablanca' with Bogey/Bacall.

At home, the wireless had pride of place, Glowing in its Bakelite case, But only pictures in your mind, Nothing like the big-screen kind!

From the early days it was so exciting, With quality films and Holophane lighting, And later Stereo Dolby Sound, Then 3D pictures to amaze and astound.

Lady Regent beat three score and ten, But eighty was just beyond her ken, In March this year she burned to the ground, Devastating all of those around.

We watched as she burned with firemen bold, But the fire was fierce and had a hold, With sirens and shouting - an unholy din, No one could stop the roof caving in.

But that was then and this is now, Owners Scott have made their vow, They say the Regent will rise once more, From the ashes of its blackened core.

By Paul Starck,
Lyme Regis

The views expressed in letters are those of the author and not necessarily of this newspaper

Comments on football club were made to protect public money

LymeLetters

■ IN reply to Stuart Broom's letter in last week's *View From Lyme Regis* (July 13th), I would like to make the following comments

1) As a reporter employed by *View From* I suggest in future he learns to do some homework before using his employers pages to manipulate the facts.

2) I have never been against the football club receiving a grant, in fact I stood up at the original grant meeting and supported the football club saying it was one of the oldest most successful and had the largest number of members in the town and fully deserved support. This is on the recording and in the minutes.

3) My comments about the £100,000 at a later date was that the project should be overseen by a properly qualified contractor or surveyor as this £100,000 was not ours but that it was public money, an awful lot of public money, and as a councillor I needed to ensure the work was properly supervised.

4) My comments about "jobs" that had gone wrong in the past had absolutely nothing to do with either work at organisations in this town or indeed council money. It was purely a comment about jobs I have observed over my life being married to a carpenter in the building industry for the last 52 years!

I am so angry that this letter was a complete and utter fabrication of any of my comments. I was voted on council by the people I believe in and support in this town, a town I love and people I respect. I am sickened that anyone would believe I could be that vindictive.

So, I ask you to print this letter for me to put the record straight and in future to suggest to your employees that they do their homework before using

your paper as a vehicle for their misguided opinions.

Cheryl Reynolds,
Lyme Regis

■ I HAVE just read the long letter that one of your own personnel has been allowed to have published this week (*View From Lyme Regis*, July 13th) about how much money has been given to various clubs and associations.

But I was horrified at the remarks he made about Councillor Cheryl Reynolds who has been doing so much for so many clubs and for the young people in this town, and I feel that he owes Cheryl a big apology for the things he said about her.

I do not know many, if any, who have worked so hard since becoming a councillor and that one of your own staff has had the temerity to accuse her, as he has done in his letter. He has twisted her remarks to suit what he believes and should retract them and make an apology in your next edition.

Joan Cool,
Lyme Regis

■ **EDITOR'S FOOTNOTE:** Mr Broom is not an employee of this company. He is a freelance sports reporter contributing to our sports pages in Bridport, Dorchester and Weymouth. As a former club captain of Lyme Regis Football Club, as was his elder brother Robert, and his father Gordon being a much-respected club chairman, he is entitled to express his opinion on this matter.

View from the churches

THE John Challenger concert at St Michael's Parish Church last week delighted the 50 or so who came. John's repertoire was varied, something familiar and new for everyone.

Thanks to all who supported the annual beach stalls in the Marine Parade shelters. The sunshine delivered and there was a buzz all day as locals and visitors tried the tombola and ate the cakes. A great team effort and a very long but satisfying day!

I mentioned last week that the United Beach Mission's Beach Team are coming from July 24th. Not only can you meet them on Lyme's sandy beach Sunday to Friday at 2.30pm and Monday to Friday at 11.15am until August 19th, the Beach Team will also conduct the 4pm service in Bethany Chapel in Coombe Street on the four Sundays. This will be followed by tea and biscuits, but on July 31st by a full tea with homemade savouries and cakes.

News from Uplyme Church: Come and join us for our Summer Worship each Sunday morning at 10am. It will be a simple, informal worship service, followed by refreshments. Our themes will be varied and different each week.

The Superheroes holiday club will take place in the gallery for children. There will be DVDs, food and lots of exciting activities all based around brave, strong, small, kind and clever superheroes.

If you prefer a more traditional and contemplative form of worship with hymns and conventional liturgy, join us for our evening worship at 6pm each Sunday. During the summer worship weeks Holy Communion will take place during evening worship.

A concert will be held at 7.30pm on Friday, July 29th with Bethia Houigan, mezzo soprano, and Thomas Colwell, baritone, performing operatic and traditional songs for an enchanted summer's evening. Tickets are £10 on the door or free for under 18s.

As you stroll along the Marine Parade next Sunday, July 24th and enjoy the town band playing, you can time your visit for 3pm and enjoy the 'Songs of Praise' with several locals choosing a hymn they enjoy. Look forward to seeing you there.

Spellbinding cinematic acoustic guitar at the Marine Theatre

THERE will be a rare - and possibly last chance - opportunity to see James Blackshaw perform live at the Marine Theatre on Wednesday, July 27th before he hangs up his touring boots for the near future. He plays in Lyme Regis en route to the Port Elliot festival, his last scheduled date.

Expect long instrumental tracks, sounds that transport you somewhere else - hypnotic, layered and cinematic. He also sings on a few tracks, but his music is all about the atmosphere and otherworldly space created by one man and a guitar.

James performs celestial and spirit-lifting guitar-led compositions. Meditative in quality, cinematic in scope, his music spirals gracefully across complex patterns, motifs and harmonics. He made his name as a 12-string acoustic guitarist, and his relationship with the instrument is near perfect. With an extensive back catalogue to his name on labels like Young God, Tompkins Square and Important Records, he has developed a unique playing style that takes Takoma school finger-picking into an entirely new place. Swirling overtones, cascading notes and a thousand points of light cascade from his guitar and create ever-shifting textures that bear the influence of contemporary classical composition, post-rock dynamics and invisible soundtracks as much as the Amer-

ican folk guitar tradition.

Despite his transcendent state music he is a grounded and earthly fellow who has been written about with reverence and has played churches, festivals, folk clubs and large concert halls on his many travels in the US, Europe and Japan. These have included extensive touring with the reformed Swans, as well as collaborative performances with Hauschka and Nancy Elizabeth. He performs and records as a member of Current 93 and with Jozef Van Wissem as Brethren of The Free Spirit.

James Blackshaw plays at the Marine Theatre, Lyme Regis on Wednesday, July 27th at 7.30pm. Tickets are £10, available from www.marinetheatre.com or by calling 01297 442138.

Gypsy jazz and folk from Budapest Café Orchestra

LED BY jazz violin superstar Christian Garrick, the Budapest Café Orchestra play traditional folk and gypsy-flavoured music from across the Balkans and Russia. mournful Klezmer melodies, raucous Romanian Doinas and Hungarian Czardas.

Beautiful ballads, such as the theme to Schindler's List and Andy Statman's haunting Flatbush Waltz, are all encountered. Evoking vivid images of Tzigane fiddle maestros, Budapest café life and gypsy campfires - plus a few surprises along the way - a show by the BCO is good enough to make you want to book that holiday down the Danube!

They're hard to describe, you just have to see and hear them. The Budapest Café Orchestra is as fantastically exciting as it is musically impressive. Jazz violinist Christian Garrick leads from the front as the BCO journey far and wide across the Balkans and Russia, Klezmer, Romanian Doinas, Hungarian Czardas. This is no simple Tzigane tribute band - expect surprises, diversions and adventures along the way. Like the Ukulele Orches-

tra of Great Britain the Budapest Café Orchestra exceed any expectations in their mission to entertain. Hugely entertaining, immense skill and profound musicianship. They have won acclaim from fans, fellow musicians and critics alike for their electrifying and entertaining shows.

The Budapest Café Orchestra play at Dorchester Arts Corn Exchange on Friday, July 22nd at 8pm (doors and bar 7.30pm). Tickets are £14 or £12 for members and concessions from www.dorchesterarts.org.uk or by calling 01305 266926.

And every Friday is Pirate Friday - shiver me timbers, Captain 'Appy Angus is back creating mayhem on the Pirate Ship - walk the plank!

Other regular events throughout the summer include Nick Nature in Bugland, pony grooming, arts & crafts, circus skills and loads more!

PLUS! All the usual daily activities to enjoy - Hawkridge Birds of Prey flying Display, ferret & duck racing, goat walking, bottle feeding and the day would not be complete without a ride on the famous Deer Train Safari - hand feed the red deer and llama!

You can take a stroll back in time through the farming museum and the

Victorian Street, marvel at the many vehicles in the Hall of Transport and the collection of motor cycles lovingly collected over the years by our local 94 year old enthusiast Reg Imray.

With three age specific, indoor soft play areas, full size pirate ship play area, trampolines, big slide and the play park to run around too it's a challenge to do everything in one day.

A hearty breakfast would set you up for the day or you can enjoy a relaxing afternoon cream tea on the decking both available at Farmer Lee's Food Barn along with a great lunch menu but if you don't have time to stop there's the Tractor Takeaway or the Pasty Shack Takeaway and if the weather is fine you could head for the BBQ!

Pecorama

PECORAMA is located high on the hillside above the picturesque fishing village of Beer. The site is open daily from Easter to the end of October and is home to the award-winning Beer Heights Light Railway, Peco Model Railway Exhibition and Millennium Celebration Garden.

On the 7 1/4 inch gauge Railway, a fleet of coal fired miniature steam locomotives pull passenger carrying trains through the gardens, steep sided cuttings and a long dark tunnel. The mile-long journey reveals magnificent sea-views out over the village to Lyme Bay and distant Portland Bill.

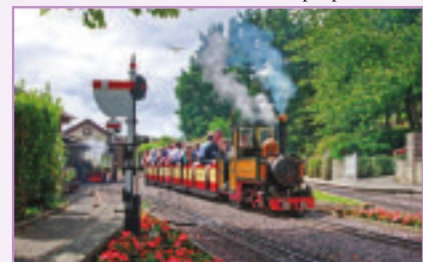

The famous PECO Model Railway Exhibition is open all year round and features superbly detailed layouts in every major gauge of track. The Exhibition is complemented by the Model Shop which houses a vast stock of model railway goods.

The Millennium Celebration Garden was completed in the year 2000 and consists of five stunning Garden "rooms". The individual garden names of Sun, Moon, Rainbow, Roof and Moat Garden reflect the nature of the flowers, shrubs and trees to be found in each. A purpose-built

meeting room, the Station Gallery, sits beneath the Roof Garden and is the perfect venue for art exhibitions, conferences and work-shops.

Activity areas feature the Peco Play Station, a multi-tiered indoor play arena for children up to 12 years of age and outdoors, safety surfaced play areas packed with equipment ranging from toddler's swings to pirate ship and cable slide. Bridport's Jamboree

BRIDPORT Arts Centre and The Lyric Theatre have teamed up to bring young people & families an exciting mix of live theatre, creative workshops & fun activities this August as part of a new school holidays programme called Jamboree.

Megan Dunford, Participation Officer for Bridport Arts Centre says: "We are so excited to be able to offer young people & families some really inspiring & creative events this summer. We have a (almost) life-size whale coming to West Bay that you can step

inside for free, there is messy play, live theatre and a chance to win prizes by making Sculptures on the Beach. We look forward to seeing you at a Jamboree event soon!"

The activities range from story telling and puppet making for young children to more specialised activities for teenagers such as aerial skills with local performer Charlie Bicknell. The activities will be taking place at venues across Bridport. Full details can be found online at www.bridport-arts.com.

What a Pantomime on Portland!

EARLIER this year, local actors, writers, technicians and artists joined together to create a brand new theatre company. Isle of Portland Amateur Dramatics Society (IPADS) was formed to work as part of the local community, making theatre fun and accessible for all.

Cinderella, the company's inaugural production, sees a cast of local actors with decades of shared experience at companies around the country, led by Stephanie Clifton winning hearts in the title role of Cinderella, and Cassandra Grindley putting the charm into Charming, as the heroic Prince. With the ever-popular Mark Sampson-Vincent and Alan Allberry as the Ugly Sisters, the show also introduces Katrina Duvall as the wicked but hilarious Baroness Hardup. A talented supporting cast, with songs galore, much-loved traditional gags and routines, and a romance to melt even the hardest heart, mean that Cinderella will appeal to children of all ages (including those who are, and always will be, children at heart!).

The company has been formed as a part of the Portland Borstal Officers' Club, which is approaching its centenary celebrations as a hub for the local community. With a purpose built theatre auditorium, two reasonably-priced bars, and plentiful free parking, the Club, located opposite HMPYOI Portland in Grove Road, provides the perfect setting for the theatre group.

"Portland Borstal Officers' Club is a true local gem," comments Mark Sampson-Vincent. "We've been so fortunate to be welcomed so completely as members of this venue, which has views from the bar which cannot be beaten. Joe Blewett, who runs the club, and his team, have been so generous with their support, and we've been incredibly lucky to have members of our technical crew, especially Les Hill, join us as a result of our being part of the Club."

Stephanie Clifton, who is drawing on years of principal role experience with various companies to create the title role, agrees. "We've been most fortunate of all in our venue – we can't believe how supportive people have been, and we feel so completely at home here. Every theatre company has its own pri-

orities and its own goals. At IPADS, our aim is to make theatre friendly again. Once upon a time, going to the theatre and enjoying the fun and enrichment it brings, was a normal part of life. We want theatre to be accessible and enjoyable for all. With all the trouble and hostility in the world, IPADS just wants to make people smile."

Cinderella, a traditional pantomime with a real positive spirit, has been written with today's audiences in mind.

"My Cinderella is brave," says Stephanie. "Yes, she is patient and good, but she's also strong and independent, courageous and loyal. She is a perfect role model and what could be better than to spend time letting your children not only soak up positive influences, but also see them laughing and joining in throughout the panto, as have the children who have been to watch some of our rehearsals."

Tickets for Cinderella are available now (Adults £7, Children £4), from The Jailhouse Café (IRC The Verne), The Paper Shop (Fortuneswell) and Portland Borstal Officers' Club. Alternatively, email IPADS.contact@gmail.com and the company will make sure your tickets arrive with you safely. Performances are Friday 22nd July 7.30pm and Saturday 23rd July 2.30pm & 7.30pm.

Prince Charming cordially invites you to his ball. Bars will be open for all performances, including pre and post show, and extensive free parking is available for carriages of all shapes and sizes. Don't miss the romance of the year (and some song and dance routines that will leave you crying with laughter!).

Bridport Musical Theatre Company is Crazy For You!

FOLLOWING the outstanding success of their 2015 production of "West Side Story" double award winning Bridport Musical Theatre Company are pleased to present the new Gershwin musical "CRAZY FOR YOU" at the Electric Palace, Bridport from August 24th to 27th. Tickets are now on sale at the Tourist Information Centre Bridport. Early booking advised!

Hard-rocking tribute to legendary Motörhead

MOTORKILL – the UK's top Motörhead tribute – bring their awesome headbanging live show to Winstons in Seaton on Saturday, July 23rd for one night only.

Having plied their trade for several years, playing all the big festivals in the UK and Europe, they come to the South West paying homage to the late, great Lemmy.

As the band themselves say: "With the sad loss of Lemmy earlier this year, we aim to remind people just what a giant of a man he was by playing a greatest hits set with a smattering of lesser played tracks."

Winston's manager, Chris Oakes, said: "This is a big event for us and for any true rock fan the chance to hear 'Ace Of Spades' and other classic tracks recreated live is one gig not to be missed."

Tickets are £10 in advance or £13 on the night, and are available from Winstons in Seaton, Beer Village Stores and Ax Music in Axminster. The show takes place on Saturday, July 23rd at 9pm.

Malcolm Giladjan

Malcolm comes from a line of Professional and Amateur artists. Malcolm paints with oil and mixed media, his work has a visionary quality, charged with energy. Malcolm loves to portray natural colour and light. The reflections in water burst with colours, each

ripple acting as an individual mirror showing off its surroundings in a splendid way. Some of his work is so full of colour that people say that it makes them feel happy. One would describe his work as being of an abstraction of nature where the essence of the subject is still there without the detail reducing the subject to dominate shape and patterns.

5 TIPS FOR PAINTING WALLS

By Julia Gray, Press Association

1. A wall colour you don't like is hard to live with and as there are so many different colours and finishes to choose from, it's important to try a new paint first. It is a good idea to apply a little of a new colour to each wall, so you get the full effect and can see how it looks at different times of the day. Printed colour charts aren't accurate, so don't rely on them, and the same is true of paint colours viewed online - always try the paint in the room it'll be used in.

2. Once you've found an emulsion you like, you'll need to work out how much to buy. The paint tin will have information on coverage, and you can use an online paint calculator to work out how much paint is needed per room. These calculators take into account things like the size of the walls, windows and doors, but not the type of emulsion you're using or the state of the walls themselves.

3. As soon as you start applying an emulsion, you'll be able to see how well it covers and get an idea of how many coats you'll have to do. The quality of the emulsion will affect the number of coats, as will the state of the walls. More paint will be needed to cover textured

wallpaper and lumpy and bumpy walls than smooth ones (new plaster should be sealed first to make it less absorbent). Some emulsions cover better than others and in my experience, budget ones rarely cover well. It's worth paying more for a good quality paint that provides excellent coverage than scrimping and paying for it later.

4. The colour you use can also affect how much emulsion you need. Pale colours may not cover as well as dark ones, and if you're painting new plaster with pale emulsion, there may be patches you can't cover easily - use a stain-block paint or a basecoat emulsion on these. Basecoat emulsions, which are white and cover better than most standard emulsions, are useful if the emulsion you're using isn't covering well. If you're painting over dark walls with a pale colour, for example, you'll save time, effort and paint by applying a basecoat first.

5. It's obviously better to have too much emulsion than not enough, as long as you can return it - most DIY stores will refund unused tins, although usually not from paint-mixing machines (unless faulty). Sometimes, the same

colour can change slightly between batches of paint, especially with paints that use natural pigments, so not buying enough in the first place can be disastrous.

PRODUCTS OF THE WEEK

Valspar has launched Valspar Collections, five new ranges of carefully selected colours inspired by everything from cosmetics and literary classics, to outer space. Available in a variety of finishes, including dead flat matt and mid sheen, the ranges are full of colours that cover beautifully. They can be used on multiple surfaces, including walls and woodwork, and are designed to be scrubbed, which is a big plus in a wall paint. Valspar Collections are available in B&Q stores, costing from £19 for 1ltr.

Also new from Valspar is a range of quality paintbrushes and rollers. Both the brushes and rollers have grooved rubber handles for a good grip, while the roller sleeves are incredibly soft, giving a great finish.

HOW-TO TIP

Spray-painting garden fences and sheds is the quickest and easiest way to get the job done, but don't do it when it's windy because the paint will go everywhere, even behind you. We're having a wet summer so far, so make sure garden wood is completely dry before painting it, whether you're spraying it or not.

Vauxhall outperforms premium rivals for vehicle dependability

LUTON – Vauxhall has performed very strongly in the second annual JD Power survey for vehicle dependability, achieving fourth overall in the manufacturer rankings. Moving up from ninth in last year's inaugural survey, Vauxhall outperformed all premium rivals including Mercedes, BMW and Jaguar.

Recording a range average of 90 problems per 100 vehicles (pp100), considerably better than the industry average of 113, Vauxhall models also performed well across individual classes. Most notably, the Vauxhall Insignia topped the mid-size class, while the Corsa and Mokka models came third in the small and compact SUV classes respectively.

▲ Vauxhall Insignia

The Vauxhall Insignia outperformed its closest rival by 16 pp100 vehicles, and was stronger than the class average to the value of a staggering 46 pp100. On average the small category achieved among the best results, with the Vauxhall Corsa ranking

third, 15 pp100 ahead of the class average. In the rapidly-growing compact SUV class, the Vauxhall Mokka also achieved third. With a notable score of only 65 problems per 100 vehicles, the Mokka was an impressive 45 pp100 ahead of the class average.

"It is brilliant to see that our cars are performing well for durability after they have left the showroom," said Rory Harvey, Vauxhall's Chairman and Managing Director. "Providing high-quality, reliable vehicles is a priority of ours, and to see models across the range achieve these results and outperform their premium rivals is great."

Now in its second year, the JD Power survey for vehicle dependability looks at the reliability of new vehicles sold in the UK. The 2016 study looked at 113 models (73 ranked) across 25 manufacturers, gathering data from over 13,000 drivers of MY13-15 vehicles.

Factor 50 for your nose, factor 500 from your Nissan

THE advice from skincare experts at this time of year is to slap on the SPF 50 sun cream to protect your skin from the sun's harmful ultraviolet (UV) rays. That's not practical with the body panels of a Nissan crossover... and it's also not necessary.

As Europe begins the holiday season, Nissan has revealed for the first time just how tough the UV protection is on its crossovers such as the Qashqai, Juke and X-Trail. The answer is the equivalent to Sun Protection Factor (SPF) 500.

All new Nissan crossovers come with a high quality, multi-layer paint finish which has been tested to endure the most extreme temperatures in the world. During de-

velopment, Nissan's engineers expose sample paint panels to 500 watts per square metre of UV light, which is more than 10 times the UV radiance of natural sunlight. So if SFP 50 sun cream will keep human skin safe outdoors in July and August, Nissan paints are equivalent to SPF 500.

Key to stopping Nissan's crossovers peeling like your nose in the summer sun is the manufacturer's new £1.34million environmental test chamber. Recently opened, the facility at the European Technical Centre – at Cranfield, UK – means Nissan engineers can recreate many years of UV exposure in real-world conditions in a matter of weeks. Their mission is to

ensure Nissan crossovers will deliver a lifetime of quality performance.

The hi-tech light bulbs in the new chamber emit 92,000 watts of intense heat, which is equivalent to 2,300 of the 40-watt type found in many homes. Combined with elevated temperature inside the chamber, the cabin of any crossover on test reaches a staggering 120 degrees Celsius. To ensure outstanding durability at the other end of the temperature spectrum, it can also drop to a shivering minus 50 degrees Celsius.

For European markets, it means Nissan crossovers are safe to soak up the summer sun on France and Spain's hottest Mediterranean beaches, and be buried under

metres of snow in the chilly north of Finland and Norway.

"Just like human skin, car paint is affected by intense UV rays that are capable of breaking down a surface, so we test for durability to ensure lasting product quality," said Dean Gillett, an environmental test engineer at Nissan.

It's not just paint that's tested with UV light. All plastics, seat fabrics and adhesives go through the same rigorous development process to make sure they can cope with extremes of temperature.

Test results have led to real 'attention to detail' engineering. Dean explained that Nissan crossover components can change by region to

make sure the customer gets a high quality performance year after year. He added: "A good example is the gas struts which hold the tailgate

open. They're different around the world because the gas in the cylinder is temperature sensitive."

Uplyme & Lyme Regis Cricket Club WITH HOWARD LARCOMBE

Bakers' cook up exciting victory

First team frustrated at rainswept Barnstaple

Devon League 2nd XI Division C UPLYME & LR 2NDS 173-7 BEAT

KENTISBEARE 2NDS 164 ALL OUT BY NINE RUNS
WITH the Uplyme 1st XI having to endure a long journey to Barnstaple only to find their game rained off without a ball being it bowled, it was left to the 2nd XI, and in particular the Baker family to take centre stage and enhance their position in C Division East writes **Eddie Clarke**.

Due to the Horticultural Society Summer Show the seconds had to decamp to Woodbury CC to face opposition from Kentisbeare, victors over Uplyme in the reverse fixture.

With skipper James Dunford commanded to play for the firsts, the side was led by David Matthews who lost the toss and was invited to bat first on a hard uneven pitch.

It took some time for openers Eddie Clarke and Henry Perry to adapt to the bounce against the pacy attack of Tom Eldridge and Sam Budgett but they managed to reach 57 without loss. Then Clarke tried one quick single too many and was run out for 27. As is often the case one wicket brought two, Perry bowled for 13 by Rory Dennis.

New batsmen found it difficult to make a start especially with Dennis and Henry

Lunn taking pace off the ball and bowling accurately. Dennis finished with 3 for 20.

When Neil Baker joined Matthews Uplyme were in trouble at 81 for 5 but together they put on 37 before Matthews was caught behind.

However, Ian Thomas and Baker produced an array of attacking shots to take the score above the 150 mark.

Baker perished on 45 his highest score for the club. Thomas remained unbeaten on 21 and Kentisbeare were set a par total of 174 to win.

Kentisbeare captain Chris Gillett and partner James Sprague set about the run chase in a steady fashion and had to be watchful of the away swing of Ben Taylor. It was Taylor who made the breakthrough when he had Sprague caught by Perry in the gully for 7.

He then followed it up, trapping Farley lbw and finished a fine spell with figures of 2 for 27 from his nine overs. He was well supported by Sam Wooster who although wicketless found a good off stump line and conceded only 30 runs from his nine overs.

The rest of the Baker family, George and Emily then added to the contribution made by their father earlier. Playing his first game of the season, George bowled

Sid Lunn for 0 and Emily took four wickets, two well caught by Matthews on the boundary and the others by Wooster and dad Neil in close positions.

The key wicket was that of captain Gillett who had held his side together with a knock of 61. Emily's figures of 4 for 39 would have been better but for a number of wides which helped Kentisbeare creep closer to the target.

With eight wickets they edged up to 157 and looked to be taking control until the introduction of Perry tied up one end and forced Dennis to attack Baker. The result was her fourth wicket after a fine running catch from Matthews.

Bunker and Eldridge took the score to 164 and in the penultimate over they attempted to run on a throw that had ricocheted from Bunker's bat, but Emily Baker was alert to the situation and her return resulted in the run out of Eldridge and a fine nine run win for Uplyme.

Lyme Regis bowls Men in County Final

THERE was another disappointing week for Lyme Regis bowlers in the leagues; the championship side going down 2-8 to Greenhill whilst the ladies got whitewashed at Dorchester.

The men did however get themselves into the final of the County Cup with a fine semi-final win over Wimborne. They will now meet Poole Park in the final.

The Ladies missed out on a final slot in the Top Club competition losing out on shots scored, having tied the disciplines.

A men's four competed for a final spot playing a strong quartet from Welworthy at Poole Park.

The game was tightly contested but a dropped five towards the end wasn't recoverable and the Lyme finally succumbed by three shots in very hot and humid conditions.

Meanwhile, the ladies team in the Edna Paisley League, are in currently sat in second spot and are enjoying a very successful run.

On Thursday, Lyme hosted the annual Silver Jubilee trophy in which invited clubs take on seven Lyme teams, in an all-male affair to lift the coveted prize. Competing were teams from Bridport, Chardstock, Seaton, Sherborne, Sidmouth and Topsham. Unfortunately Ottery St Mary were a no show.

The eventual winners were Topsham who won on a countback having tied with two other teams on +13.

Putting lesson from Fearon

THERE was a very early start for the men on Sunday for the 'Dawn Patrol', with 14 teams competing in the a three-man team Texas Scramble off a shotgun start writes **Peter Crowter**.

Handicap was 1/6th of combined and a minimum of four drives used from each player.

Ian Kearley(14) and his team of Phil Winton(12) & Mike Vincent(12) emerged the winners with a score of 57.7. Runners up were Richard Parry(19), Barry Pitcher(21) & Barry O'Mahony(9) with 58.8. In third place was the team of Robin Ormsby(18), Mark McMaster(22) & Mike Savage(9) with 59.8.

On Saturday it was the Junior's Open and it was visiting players that took the prizes. Jacob Tidswell from Weymouth was the winner after count-back with 79-9=70.

Second with the same handicap and score was Alex Dytham (Broadstone) also scoring 79-9=70. In third after count-back was Ed Fry (Westonbirt) with 96-24=72. Weymouth's Mark Rankin(5) in 4th carded the best gross score of 77.

The highest placed Bridport player was Mannie Wellman in 6th place with 99-26=73.

Meanwhile, there were 19 entrants for the Midweek Stableford. Patrick Harper(9) lead the field scoring 36 points. In second was junior Kieran Mulhall(7) with 34 and in third place was Dave Howat(16) with 33.

In the Hardy B League Bridport cut down visiting Ferndown Forest 4-1.

The **veterans'** Thursday competition was the 6th and final round of the Holmes Cup.

Brian Fearon was a head and shoulders above the rest of the field with a nett 68. This was largely due

to some excellent putting with four 20 footers disappearing into the cup.

Second in Division One, after count-back, was Colin Hore carding a nett 72.

In Division Two Tony Burwood and Brian Osborne bith scored 76 with former winning on count-back.

RESULTS: D1 - 1st Brian Fearon 81-13=68, 2nd Colin Hore(acb) 88-16=72, 3rd Roger Pollock 92-20=72, 4th Keith Hicks 92-18=74.

Certificates for Cadets

At the final session of their course, with ages ranging from 6 to 11 years, the latest group of Lyme Regis Sailing Club **Oppie Cadets** finished with capsized drill and a test of knots. All couples had achieved sailing on their own and were delighted with their success. About half will go on to buy their own Optimists and continue with the Intermediate Oppie group after the holidays. A bbq was provided by Sue Stubbs and Cathy Aitken with a team of parents. Medals and certificates were presented by Vice, Commodore Dave Stubbs. The next course will be in spring 2017.

Meanwhile, an **exclusion zone** will be established on the water for the Red Arrows display on Thursday as the flight path has to avoid crossing spectators or buildings.

Details of the zone, which is in operation from 1830hrs to 1930hrs on July 21st, and the accompanying Local Notice to Mariners, is posted on the Harbour Office Noticeboard and has been circulated to all harbour users and watersports clubs.

Last Sunday brought calm seas and light, fickle breezes of only 3-5 knots, making the strong tide once again a feature of tactics for competitors in the **National 18 Cup series**.

Eight of the 16 who signed up for the Cup completed the first race, but the second had to be abandoned due to course conditions when confusion over the positioning of the windward mark led to it being subject to protest.

The proliferation of pots with flags in the race area led to the mistake. However, the third race proceeded normally, with six finishers.

Both races were won by Dave Stubbs with crew Paul Aitken, while Simon Clark took a second as did Pete Morton.

Sailing his Contender, a single-handed trapeze class, youth sailor Fraser Earle gained a 6th and Jake Stow, with Max Helston, in the Fireball got a 5th.

Results. National 18 Cup (and Midsummer Series Races 4&6) 1st Dave Stubbs & Paul Aitken (RS400) 2nd Pete Morton (Albacore), 3rd Hilton Davis (K1)

1st Dave. Stubbs & Paul Aitken (RS400) 2nd Simon Clark (RS 700), 3rd James Fuller (RS 700).

Dorset Funeral Plan League PREMIER LEAGUE POOLE TOWN (18) 165-9 BEAT DORCHESTER (4)

80 ALL OUT BY 85 RUNS
DORCHESTER suffered a disappointing defeat at title rivals Poole Town.

Although the hosts total of 165 was 30 too many than captain Simon Mitchem would have liked, he felt his side was capable of beating it, but some poor batting on a very poor wicket was too much for the county side and they were dismissed for just 80 in reply.

Mitchem told *View Sport*: "The wicket was very poor, and got worse and worse as the game went - the ball was flying over the wicketkeeper's head.

"We bowled well, but dropped a couple of catches, then batting wise, I would back us every time to get 150 on our own pitch, but we didn't do well enough."

James Dunham (2-38) grabbed a brace early on and with Pete Horne (3-36) and Mitchem (2-15 off ten overs) saw the host's slump to 56-5 before Dave Miller (43) with the help of the lower order saw Poole Town reach 165 all out.

Dorchester were dealt a big blow in reply when run-machine Dan Belt was dismissed for a duck in the first over. In fact only Will McKay and Mitchem with 21 apiece showed any resistance as Dorchester wilted to lose ground in the title race.

MARTINSTOWN (19) 242-6 BEAT

PARLEY (11) 238-8 BY 4 WICKETS

CAPTAIN Ed Nichols passed 500 runs for the season with a century as Martinstown recorded their third victory in a row.

Good contributions from Ollie Gargrave (24) and Ben Lawes with 46 (8x4, 1x6) set up the hosts as they took the score past 150.

But a mid-order collapse saw them slump to 173-5. However Nichols found good support from Ryan Chase (17) and Tom Rimmer (13*) and reached his century with a six to finish 107* (13x4, 1x6).

He said: "The wicket was perhaps a little slower than usual and we were a bit pedestrian, although they contained us well. I thought 242 would be enough, but they got very close in the end."

Parley captain Jonatham Rake was the visitor's mainstay, and he and Mike Kafield (53) did threaten as they put on 100 for the fifth wicket before he inexplicably ran himself out for an excellent 89. Parley required 30 from 33 balls but Matt Camp then bowled Caufield with his last ball.

Ryan Chase got his reward for some excellent bowling taking 3-20 from ten overs. Nichols added: "Steve Bishop bowled a brilliant spell at the finish and just controlled things from his end, finding dot balls when no one else could, and they just ran out of steam."

County Division 1 FERNDOWN WAYFARERS (6) 130-7 LOST

TO WEYMOUTH (18) 243-8 BY 113 RUNS
HAVING failed to win a game since the opening fixture of the season, Weymouth recorded back-to-back win after easily beating bottom side Ferndown Wayfarers.

The Seaside lost Ben Doidge (13) and Kieron Womble (8) with 46 on the board but a stand of 72 from Paul Payne and captain Simon Browne (22) gave them a good base to build from.

When Payne was finally out for 70, but Dan Hutchens bolstered the score with a quickfire 37 from 20 balls and with Dom

Webb (19) ensured a good total to defend. Hutchens (1-34) then helped Michael Pearce (1-14) tie down the hosts openers, and despite a determined knock from Will Sansom (44), more economic bowling from Harry Mitchell (1-16) and Graham Puckett (2-27) forced Ferndown to shut up shop as they slumped to 64-5.

With captain Chris Hill scoring a meagre 19 from 77 deliveries, the hosts limped to 130-7 off their allocation.

Browne said: "Paul (Payne) batted very well again with Dan Hutchens adding impetus at the end.

"With such economic performances from our bowlers we were soon in the box seat and they went for damage limitation and shut up shop which was a shame as it became quite a tedious game in the end."

The victory moves Weymouth up into midtable with a cluster of other clubs and should ensure they are safe from relegation.

Browne added: "After two wins we have some selection issues with a lot of players vying for places after good performances."

STALBRIDGE 2ND (6) 111 ALL OUT LOST

TO CATTISTOCK (20) 207 ALL OUT BY 96 RUNS

CATTISTOCK continued their winning run - but it wasn't all plain sailing.

They got off to a great start with Jon Legg and Martin Langford, putting on 104 before the latter was bowled by his partner's younger brother Ollie Legg (1-34).

Billy Walbridge joined Legg and they progressed the score to 151 before Matt Chant broke the partnership by bowling Walbridge for 22, and then claimed Steve Tucker (1).

Will Perkins (2-33) then struck twice quickly to leave Cattistock 161-5. Bradley Damen joined Legg and they appeared to have steadied the ship when Chant struck again taking four wickets in four balls. First he finally got rid of Legg for 91 (10x4), and with his next three balls claimed the wickets of Ollie Lee, Ben Gollidge and Bradley Mullins.

Damen then clubbed three fours and a six as Cattistock passed the 200 mark before he became Chant's seventh victim (7-35).

Only opener and captain John Atkins (29) showed any real resistance as Cattistock's six bowlers bowled economically and regularly took wickets.

Legg capped a fine game by adding 3-10, whilst Lee (2-19) and Sam Baker (2-9) both bagged a brace, and Langford (1-14) took his revenge on Ollie Legg by shattering his stumps.

BEAMINSTER (7) 169 ALL OUT LOST

SHILLINGSTONE 2ND (20) 171-6 BY 4 WICKETS

BEAMINSTER suffered the consequence of setting an inadequate total as Shillingstone 2nds won by four wickets with three overs remaining.

Batting first on an excellent surface, Beaminster failed to build significant partnerships throughout their innings. After losing both openers cheaply, Ali Crawford (14), Joe Hawkins (22) and Ross Baker (29) battled to rebuild. However both Crawford and Hawkins were dismissed to loose shots and Baker was unfortunate to be adjudged lbw to leave them on 89-6.

It was then left to the tail to rescue the innings. Justin Gurd top scored with 35 (3x4, 3x6) before Ade Phillips (17) and Nick Holley (21) shared a 36 run partnership for the ninth wicket. However Beaminster were bowled out with 11 balls remaining.

In reply, Baker (2-23) took a wicket in the first over and, with Ali Crawford (2-17) also applying pressure during an economical spell, Beaminster were given hopes Shillingstone stumbled to 98-5. However T Cowley (39no) and G Stonely (44) guided the visitors to their target.

DORCHESTER 2ND (10) 182 ALL OUT LOST

POOLE TOWN 3RD (19) 194-7 BY 12 RUNS

LAST week captain Mike Peak and Ben Macklin piloted Dorchester to victory, but this week they couldn't repeat the feat, as the county town fell 12 runs short.

Asked to field, Dorchester started well taking two early wickets, but Karthik (44) who rode his luck, and 5 Thompson (37)

put on 76 for the third wicket.

Further partnerships of 47 and 44 saw Poole reach 194-7 off their allocation, with H Wardak, Nathan Quinn and Will Morgan taking two wickets apiece.

Dorchester started well with Malcolm Stroudley and Martyn Richards looking well set after putting on 37 for the first wicket before Richards (24) was first man out.

Although Steve Clifford fell cheaply, Stroudley and Mike Peak took the score up to 65 before Stroudley (19) became the first of Heckford's three victims.

Dorchester then lost a couple of wickets leaving them on 94-5 before Macklin and Peak put on 51 for the sixth wicket.

But the skipper was dismissed for 72, and despite some good hitting from the remaining batsmen, Dorchester fell short.

County Division 4

ABBOTSBURY (8) 172 ALL OUT LOST TO STURMIN-

STER & HINTON (20) 197-8 BY 25 RUNS

ABBOTSBURY's promotion ambitions suffered a blow as they came up short against a resurgent Sturminster & Hinton.

Sturminster captain Garry Horne elected to bat first and his side made a steady start in putting on 30 for the first wicket.

Simon Allen (1-31) found some extra bounce and Adrian Rose (11) could only fend to Frank Pittman at slip.

But the Abbotsbury bowlers found a further breakthrough elusive as Andy Beale (34) and Sam Scott (65) batted with confidence.

After a flurry of boundaries from Scott the opener was finally removed when spinner Aaron Oliver was introduced into the attack.

Oliver (4-53) struck again in successive overs as the away side slipped to 124-4 with eight overs remaining. But some strong hitting guided them to maximum batting points and despite a late flurry of four wickets in the final two overs, Sturminster were able to post 197.

In reply, the Swans lost Stuart Gill (3) early on but Pengelly and Steve Budd looked to dig in. However, with the score on 32 Pengelly (19) was bowled and the required run rate steadily climbed.

Nick Kneebone (37) and Budd (24) kept their wickets intact with a partnership of 53 before Budd was stumped.

With Chas Duerdeth now at the crease, the match started to swing back in Abbotsbury's favour, with Job's his final over being dispatched for 19.

However the return of Rose (4-36) saw him remove Duerdeth (23) as the Swans middle order crumbled before Frank Pittman (26) staged a rearguard fightback before being stumped.

Jay Lintern chipped in with 10* but the Swans fell short by 25 runs.

CHARLTON DOWN (20) 56-0 BEAT HAMWORTHY

REC 2ND (0) 55 ALL OUT BY 10 WICKETS

SAM Roles bagged a fiver and James Pretty four wickets as Charlton Down made short work of their nearest challengers Hamworthy Rec to remain unbeaten.

From the start the visiting batsmen were under pressure with the Stevens brothers tying them down and it was Matt (1-3) from six overs that set the ball rolling by bowling J O'Brien for a single in the ninth over.

Opener T Wood who carried his bat for 15 not out and G Fraser (17) took the score to 33 before Pretty (4-20 from eight) and Roles (5-22 from 7.3 overs) took control and dismissed Hamworthy Rec for just 80 all out.

Captain Jae Miller was the dominant force scoring 44 (6x4, 1x6) from 35 balls, with Jack Eveleigh (6no) as Charlton Down easily passed their target without loss to take even greater hold on the title. PUDDLETOWN (19) 168 ALL OUT BEAT BLANDFORD 2ND (8) 135 ALL OUT BY 33 RUNS

SHAFTESBURY (2) 68 ALL OUT LOST TO

MARTINSTOWN 2ND (17) 114-5 BY 46 RUNS

MARTINSTOWN 2nds completed a good weekend for the club with both teams winning for the second consecutive week.

With only one previous victory this season, it appeared a daunting task for Matt Rimmer's men against second placed Shaftesbury, particularly as they were one short.

However, a brilliant all-round perform-

ance from 14-year-old Nathan Quinn, and an inspired piece of bowling from Charlie Durrant, another 14-year-old, saw them cruise home.

Winning the toss, Martinstown batted first and, despite some good bowling, completed their 40 overs with Quinn producing a superb 36* as he guided his side to a rather meagre looking 114-5.

It looked easy for Shaftesbury as they reached 60-1 despite some economic bowling from Quinn (2-10).

However the game was transformed as Durrant produced an superb spell taking 4-3 from his four overs, and with Chris Monteith also weighing in with a brace, the hosts collapsed to 68 all out.

Rimmer said: "What a win, and what a boost for the player's confidence. They looked on track at 60-1 but Charlie's spell turned the whole thing around."

CREWKERNE (7) 176-4 BY 3 WICKETS

A DAZZLING unbeaten century from Liam Toohill saw Symene ease past Crewkerne with 10 balls to spare.

Winning the toss Crewkerne made steady progress against some tight opening bowling particularly Toohill (0-15 off eight) before Sam Rowsell was brilliantly caught and bowled by skipper Graham Bartlett (2-32).

This brought Charlie Male to the crease and after Nick Bodger (21) and Jack Make (2) had been dismissed by Charlie Parkman (2-32) and Will Parkes respectively with 50 on the board, Charlie Male and Nick Keylock looked to push the score on.

They added 118 for the fourth wicket before Parkes (1-27) removed Male for an entertaining 84 with Keylock unbeaten on 39 and a formidable score of 176-4.

Things did not look good for Symene in reply as Mark Culpitt (4-25) removed three of the top order with just 20 on the board.

However Toohill, brilliantly supported by the patient George Wyrill (15), took over.

They added 86 for the fourth wicket before another youngster Luke Robertson (15) helped add 23. His dismissal saw Toohill farm the bowling and it was fitting that he hit the winning runs with a six that also brought up his century.

Symene spokesman Nick Skrme said: "Liam was in terrific form and received great support from George and Luke who both showed great patience.

"Another young player Will Parkes was in great form with the ball as well. He bowled with a really genuine pace and was very lively and deserved a better return for his efforts."

Bowls news

England too strong

BOWLS Dorset found their England counterparts too strong for them when the two sides met at Bridport last Thursday.

Making their first visit to Priory Lane for 19 years, the England side comprising bowlers from 11 counties as far away as Leicestershire and Yorkshire won five of the six rinks for a comprehensive victory.

Dorset's only victory was the traditional game between the two president's sides which saw the hosts triumph 26-16 over.

The Bowls Dorset side comprised of Ladies' President Ann Allman from Lyme Regis at lead with the Men's President Paul Tibble from Bridport at two.

Dorchester's Shirley Bowley was three, with Bridport's Brian Rumble, skip. The Bowls England rink included their President Michael Jennings from St Austell.

There were plenty of other local players representing the county. Marion Clements and Doug Obee (both Weymouth's Greenhill) and Stan Helliwell (Portland Borstal Officers) came along the coast road to play, whilst Carol Baker was also representing the county town.

Lyme Regis' Nola Stephens and Trevor Allman travelled from the Charlie Mercer Green, whilst Alison Tibble, Keith Brooks, Dave Roberts and Margaret Clapp had the advantage of playing on their home green.

Although the Bowls England side are predominantly retired people they did include two ex-England internationals in their ranks.

BRIAN Rees and George Seed had exceptional rounds in the midweek stableford at Lyme Regis Golf Club. Brian, playing off four, shot a -1 gross, to win with a brilliant 41 points. George Seed went one better with a gross score of -2, scoring 38 points as his handicap now drops to +1. Neil Smith in 3rd place also bettered his handicap scoring 37 points.

Meanwhile, last Thursday was Ladies captain's day and the theme was "A Day

at the Races".

Texas scramble golf was followed by a meal dressed in their best Ascot finery. Gilly Madill, Susan Moore, Jane Dixon & Jane Andrews justified their pre-match odds and won the golf, but the main aim was a good time.

Ladies captain Caroline Baker summed up the day: "We had a fantastic time, the imagination and enthusiasm from our ladies made the day hugely enjoyable."

New Bee Butcher bags fine double

BRIDPORT 2 Alphonston 1 BRIDPORT produced another good display in the heat against a competitive Alphonston side on Saturday writes Stuart Broom.

The side was broadly the same as the one that lost 1-0 to Cullompton Rangers on Tuesday although manager Adam Fricker was pleased with his side's performance.

"At this stage of the season it's important to get minutes on the board. Cullompton were very organised, it was a decent competitive game for us and we're happy with everything we saw."

"Some of the performances were very pleasing and we managed to get some minutes into Louis Rutter who hasn't played since September following a cruciate injury - it will certainly boost his confidence."

Both sides showed good passages of play coupled with resolute defending, and apart from a 20-yard drive from Dan Peach straight at keeper Jack McAndrew, and a good move involving Andy Martin, Mark Salter and Tom Blair that offered Peach another chance there was little early goalmouth action.

That was until the 35th minute when Ed Butcher confirmed the ability he had shown at Chard Town last season.

Blair played a long diagonal pass to Butcher whose first time volley from the left angle of the penalty box screamed across McAndrew and into the far corner.

Alphonston showed a more positive approach in the second half and centre-back Leigh Bailey, who minutes earlier had missed a great chance to extend the Bees lead by heading wide, produced a great block on the line from Paddy O'Loughlin.

However, the Devon side equalised just after the hour when George Chlopeccki mis-controlled the ball on the edge of the box and Jordan Ford fired a low shot past keeper Jason Hutchings.

But Butcher produced another piece of magic in the 74th minute when he cut in from the right before firing in an almost identical shot that flew past McAndrew for what turned out to be the winner.

Talking of Butcher's performance the new Bees boss said: "He's got that in his locker. He's only been playing Western League for two years so is still learning. He not only scores goals on a regular basis but does a lot of work off the ball and tracks back."

He also praised Blair for another great performance: "He's got a lot of ability and he's listening to us and taking it all onboard."

Fricker also confirmed that central defender Kris Hastings and midfielder Adam Barrett who were both at Sherborne Town last season, both signed after the game.

Fricker, with several first team squad players still to return from injury, looks to have built a strong squad.
